3. All deposits are due within a 7 day period following your reservation. If deposits are not received within 7 days, your reservation will automatically be cancelled without notice.
4. All balances are due 45 days prior to tour date. If that should fall on a Saturday or a Sunday, the balance is due the next regular business day, (Monday). You will not receive a statement, so please make note of the balance date on your calendar.
5. Please note that we do not mail out any receipts. Your canceled check will be your receipt.
6. On all multi-day tours, you will receive a letter (approximately 2 weeks prior to tour date) with luggage tags, hotel information, etc.

Seating Information:

1. Passengers are assigned seats on all Gunther Tours.
2. Seating will be assigned on the date of reservation. You will be given your seat number on the date of reservation.
3. If you would like to be seated in a specific area, or with friends, please give your request when making your reservation. This is a request - **not a guarantee**.
4. We do not rotate seats on any tours.
5. Those with physical handicaps do get preferred seating, but we must know at time of reservation.
6. We do sympathize with those who suffer from motion sickness, and there are too many to always accommodate, so please check with your doctor about medication and/or patches so that your trip is a pleasant one. You may also want to try *Transderm Scop*, or an over-the-counter product for motion sickness.

Meal Choices:

1. Meal choices are required on some tours. Please give your choice when making your reservation. If you do not give your choice upon booking, we will make the choice of chicken, if available, or a suitable choice as stated in the itinerary.
2. There may be meal choices needed for multi-day tours as well. If so, you will need to fill out the question form that will be mailed to you (approximately 2 weeks prior) and mail it back with your choices.

Departures/Pick Up Points:

1. Specific times for departures are listed in the brochure for each tour. Please be at your selected departure point at least 15 minutes prior to departure time.
2. We have 2 pick-up locations for our tours:
Gunther Charters on Shipley Avenue, off Dorsey Road near BWI airport
and
Carney Park & Ride, exit 31-A off Rt. 695, east and **exit 31-B** off Rt. 695, north 1 block past Joppa Road to Jomat Ave. – this is the 9600 block of Harford Road.
3. We now offer a **Harford County** departure point, (see directions page 10), for all Gunther multi-day motorcoach tours and selected one-day motorcoach tours traveling north only!
4. We now offer a **Howard/Carroll County** departure point, (see directions page 10), for all Gunther multi-day motorcoach tours and selected one-day motorcoach tours traveling west only!

5. If you decide to change your departure point, please **notify the office A.S.A.P.**
6. We will make an additional courtesy pick up for those who have 20 or more in their party. If this occurs pick up and return times may be changed. You will be notified of any changes on an tour.

Cancellations/Refunds:

1. All money will be gladly refunded in full when cancellation is made 45 days prior to departure (which is the same as the balance due date). Any cancellation made after the 45 days will result in forfeiture of any amounts paid by the customer (no option of transferring the money paid onto another tour).
2. **A \$2.00 service charge for any cancellations unless you transfer to another tour.**
3. We will make every effort to sell your seat, providing we have a waiting list.
4. Gunther Tours strongly suggests trip cancellation insurance. You can obtain an insurance brochure by calling the office; however, you will need to contact the insurance company direct for rates and information. See information under insurance.

Motor Coach Information:

Gunther Tours owns and operates the very best equipment for your traveling comfort. We offer reclining seats, air conditioning, lavatory, picture windows and public address systems.

Escorts:

Gunther Tours is very proud of our tour escorts, which are provided on every tour, whether a one day or muti-day tour, and they are there to assist you with any situations that may arise.

Smoking:

1. For the courtesy of all passengers, all tours are nonsmoking. There will be no smoking anywhere on the coach at any time - frequent rest stops will be made.
2. If you are going on a multi-day tour and require a smoking room, you must make the request for a smoking room when making your reservation.

Baggage:

1. You may bring 1 bag per person, and a carry on. Gunther Tours will provide 1 luggage tag per person for your main luggage; you will need to provide your own tag for your carry on. Please put your name on your luggage tag.
2. Although we make every effort to handle your luggage carefully, we cannot be responsible for lost, stolen, or damaged articles, including baggage.

Tour Costs:

It is assumed that all portions of the tour will be used by each individual. There will be no refunds for unused sightseeing, meals, or admission tickets.

Articles left on coach:

1. We cannot assume any responsibility for any articles that are left on the coach at any time. Please check your seat and overhead space carefully for any items you may have purchased or brought with you before departing the coach.
2. Gunther Tours does have a "lost & found" where we will hold items left on the coach for 1 week. After that time, all items are sent to different shelters, etc, for the needy.

Insurance:

1. Gunther Tours carries standard liability insurance only.
2. We highly recommend that you get trip cancellation insurance on any overnight tour. You can tell the office to have a brochure mailed to you, but you will need to contact the insurance company direct for rates and information: **Allianz Travel Insurance # 1-800-284-8300, and reference claim #F022404.**
3. Be advised, some of our tours are of a strenuous nature requiring much walking. Check your itinerary. Again, we highly recommend you purchase insurance to avoid any monetary loss to you, in case of a cancelled or interrupted tour. Gunther Tours is not responsible in these cases.

Itineraries:

1. Itineraries are given out on multi-day tours only. You will receive the itinerary with your luggage tags etc., approximately 2 weeks prior to departure date.
2. Itineraries are subject to change without notice. Times, hotel, restaurants, etc. may be changed due to circumstances beyond our control.

The Kennedy Photographs
at the Newseum
& Lunch at Harriet's Restaurant
Washington, D.C.**

Today we visit the **Newseum** for a *self-guided tour* of **Creating Camelot: The Kennedy Photograph of Jacques Lowe**. To commemorate the 100th anniversary of the birth of our 35th President of the United States (1961-1963), John F. Kennedy, the Newseum is bringing back for a limited time one of its most popular exhibits – **Creating Camelot: The Kennedy Photograph of Jacques Lowe**. This stunning photo exhibit showcases more than 70 intimate and iconic images of President John F. Kennedy, first lady Jacqueline Kennedy and their children, Carolina and John, taken by Kennedy's personal photographer Jacques Lowe. Lowe's photographs of the Kennedys helped create the legend of the Kennedy presidency known as "Camelot". His extraordinary access to Kennedy's private and public life allowed him to capture events that others could not. Lowe's photos document Kennedy's rise to power, from his 1958 Senate re-election campaign to the White House, along with intimate scenes of the Kennedys at home. The exhibit also explores how Lowe's images were used in the news media. **Don't miss this unique exploration of a fascinating president and his impact on generations to come!** We spend **3-hours** at the Newseum. The interior space never ceases to delight and awe my tour clients, and the wonderful exhibits offer an unexpected learning pleasure. The National Building Museum is an experience!"* The docent guide will provide in-depth knowledge about the Museum's historic building and exhibitions by telling the stories of architecture, engineering, and design. The Museum occupies a magnificent building with a soaring Great Hall, colossal 75-foot-tall Corinthian columns, and a 1,200-foot terra cotta frieze. Constructed of more than 15 million bricks, the Museum houses some of the largest Corinthian columns in the world and has been the site of 17 Presidential Inaugural balls, from Grover Cleveland's in 1885 to Barack Obama's in 2009. Come face-to-face with the colossal capitals of the Corinthian columns as you tour the Museum's fourth floor, (not accessible to the general public)! The historic home of the National Building Museum stands today as one of the great American buildings of the nineteenth century and one of Washington, D.C.'s most spectacular works of public architecture. After our docent tour you will have **2-hours** to explore the Museum *on your own*. Following our museum visit enjoy a delicious **buffet lunch** at **Harriet's Family Restaurant**, located in the historic Harrington Hotel in downtown D.C., since 2006. **(L)**

Next we meet our **step-on guide** and depart for a **tour of historic Macon**. Along the way we will be entertained with tales of Macon’s colorful history while viewing many of the cities notable sights, including memorable southern mansions. Originally named Fort Hawkins, Macon was a thriving trading post in the 18th century due to its location on the Ocmulgee River. When the city was chartered in 1824, the founders wanted to build a “city within a park” designating broad streets, 250 acres for a Central Park and passed ordinances requiring people to plant shade trees at their homes. There are over 300,000 Yoshino Cherry Trees in Macon. You will hear the story of William Fickling, his love of beauty and how the cherry blossom festival came to be. The tour will include a visit to **Cannonball House**, a classic Greek Revival mansion built in 1853. Step inside the only house in Macon damaged during the Civil War when struck by a Hotchkiss shell during an attack in 1864. Now restored with period furnishings, it houses a Civil War museum and features recreated meeting rooms of the world’s first secret societies for women, Alpha Delta Pi and Phi Mu sororities. Tonight, we are treated to a delicious **dinner** at a local restaurant after checking into our deluxe accommodations at the **Marriott Macon City Center** for the next **two nights**. **(B, D)**

Day 3: After **breakfast**, we meet our **step-on guide** and set out to explore the **Cherry Blossom Trail**. Highlights of our tour will include viewing canopies of cherry tree blooms along Macon’s streets and in residential neighborhoods, and a special **photo-stop** at **Fickling Farm**, which boasting nearly 10,000 Yoshino cherry trees. The Farm carries on the legacy of the late William A. Fickling Sr., who possessed a passion for

horticulture and a deep appreciation for the Yoshino cherry tree. Mr. Fickling first propagated Yoshino cherry trees in Macon and began generously donating trees to help beautify Macon, and now the Fickling Family Foundation continues to donate thousands of cherry trees to Macon residents each year. The tour includes a visit to the **Woodruff Mansion**, a classic Greek Revival mansion built in 1836, located on the Mercer University campus. Listed on the National Register of Historic Places, the mansion is an antebellum home situated atop Coleman Hill and commands a spectacular view of downtown Macon. Next, we’ll enjoy the festivities of the **Cherry Blossom Festival** and the **Mulberry Street Arts & Crafts Festival**, the oldest arts & crafts festival in Middle Georgia. Have fun leisurely browsing the hundreds of fine, quality vendors and craftsmen displaying their artistic creations and unique works. Lunch is **on your own**. After returning to the hotel, you will have some time to relax and freshen up before we go out for a delicious **dinner** and **tour** at the **Hay House**. One of Georgia’s most historic homes and distinguished structures, the Johnston-Felton-Hay House in Macon was declared a National Historic Landmark in 1974. Construction began in 1855 and continued into 1859. The House was built in the Italian Renaissance Revival style, a marked contrast to the Greek Revival architecture of the antebellum period. Following our special evening, we return to our hotel for a restful night’s sleep. **(B, D)**

Day 4: After **breakfast**, we follow **Georgia’s Antebellum Trail** to **Madison, Georgia**. Upon our arrival, we meet our **step-on guide** for a **tour of the Heritage House**. This Greek Revival home was built in 1811 and purchased in 1830 by Dr. Elijah Evans Jones, a prominent physician in Madison. Dr. Jones was also the Chairman of the Board of Trustees of the Georgia Female college in Madison and a major shareholder in the Georgia Railroad. After lunch **on your own**, we **tour the Rogers House**. Built by Reuben Rogers in 1809-1810, this house is a fine example of Piedmont Plain-style architecture seen throughout the rural southern United States. Designed as a two-over-two style, the house has been restored using photographs and records from the City of Madison archives and looks as it probably appeared in 1873. Yet the house pre-dates the Morgan County Courthouse, built in 1905, by almost 100 years. The furnishings are representative of the mid-19th century. Next, we **tour the Rose Cottage**. Born into slavery, Adeline Rose, built her cottage in 1891. Little is known of her life before October 1891. She made her living taking in washing and ironing at 50 cents a load with most of her early work done for the boarders of the Hardy House, which was owned by the mother of the famous comedian Oliver Hardy. Adeline Rose died in 1959 after living in the house for 68 years. It was felt that it was very important to save the cottage built out of the labor of love by a woman who was born into slavery, so in 1966 the City of Madison moved the Rose Cottage to its present location. Later, we say goodbye to *“The Peach State”* as we depart for our overnight accommodations in **Florence, South Carolina**. A **dinner** stop will be made en route to Florence. **(B, D)**

Day 5: After a **deluxe continental breakfast**, we depart for home taking with us fond memories of Antebellum Georgia, southern hospitality, distinctive period architecture, and the magical sight and sweet-scent of thousands of blooming Yoshino Cherry Trees. **(B)**

Washington, D.C.

Travel today to our nation's capital, Washington, D.C., and spend a delightful afternoon with the cast of **"In the Heights"** at **The John F. Kennedy Center for the Performing Arts**. Lincoln's Cottage & Franciscan Monastery & Box Lunch, Included Washington, D.C.

Travel today to our nation's capital, **Washington, D.C.**, and spend a delightful day visiting **Lincoln's Cottage** and the **Franciscan Monastery**. Located on the grounds of the Old Soldier's Home, Lincoln's Cottage is the most historic site directly associated with Lincoln's presidency aside from the White House. Designated a National Monument by President Clinton in 2000, President Lincoln's Cottage served as Lincoln's family residence for a quarter of his presidency and is where he was living when he developed his Emancipation

Proclamation. President Lincoln first visited the grounds three days after his inauguration and last rode out to the site the day before his assassination. While living at the Cottage for 13 months from June-November of 1862-1864, Lincoln regularly commuted to the White House daily by horseback or carriage, and enjoyed spending time with his family at this breeze-swept pastoral refuge where he met with Cabinet members, political allies and adversaries alike. A **box lunch** is included today. Please provide a **meal choice** when making your reservations. Your choices are **Ham Club Wrap, Turkey Club Wrap, Chicken Salad Wrap or Veggie Wrap**. Next we'll visit one of Washington, D.C.'s hidden treasures, the **Franciscan Monastery of the Holy Land in America**. With its arched walkways, 15 miniature outdoor chapels and beautiful gardens it stands as an Oasis of Peace in the middle of busy Washington. The monastery was built in 1899 and many of the shrines are replicas of ones in Israel. We will tour the catacombs and pass through two gates that lead up to a replica of the room where the Romans would have held Christians before they were fed to the lions in the first century. The Byzantine crosses in the hall outside the gift store are especially intriguing. **Note: The Franciscan Monastery tour includes a 45-minute guided walking tour and there are no benches to sit down. Please make sure you are an able walker before booking onto this trip. Wear comfortable walking shoes, (no heels). This tour is not suitable for people who have trouble with mobility! Riverside Dinner Theater “Always Patsy Cline” Fredericksburg, Virginia

We extend a very special invitation to all the *Gunther Tours* travelers who are fans of legendary Patsy Cline and her timeless music! “*Always Patsy Cline*” is more than a tribute to the iconic country singer who died tragically at age 30 in a plane crash in 1963. Day 2: After a **deluxe continental breakfast**, we depart for a day of **sightseeing in West Virginia, "The Mountain State"**. We begin at the **Oil & Gas Museum in Parkersburg, West Virginia**. Discover the history of the oil and gas industry in West Virginia and Ohio. The Museum features multiple floors and an outside exhibit area packed with documents, photos, displays, and historical objects from the 150 years of history about the oil and gas industry in Parkersburg and surrounding areas. From boom to bust, there is plenty of information for the history buff and lots of neat gizmos to satisfy the curious. Next we visit the **Blennerhassett Museum**. The Blennerhassett Museum became the first professionally operated, publicly funded museum of regional history in west/central West Virginia, and is a showcase of three floors of priceless history relics and objects of art from the Ohio Valley's past. Exhibits range from prehistoric Indian tools, jewelry, weapons and household items, to oil paintings, old clothing, guns and military paraphernalia, to furniture belonging to West Virginia's first Governor. Next we climb aboard the **"Island Belle"**, a working replica of an authentic 19th-century sternwheeler riverboat for a **30-minute cruise to Blennerhassett Island**, a small Island located in the Ohio River. In addition to its tranquil natural beauty, the Island, nicknamed "Eden", is the site of a European-style estate whose centerpiece is an enormous mansion surrounded by extravagantly landscaped lawns and gardens. The Palladian style mansion was constructed and occupied by a wealthy Anglo-Irish couple, Harman and Margaret Blennerhassett in 1800. For a brief period, the home became famous as the largest, most beautiful private residence in the American West frontier. Regrettably, Harman and Margaret became entangled with Aaron Burr and fled their Island home December 1806. The mansion burned to the ground in 1811, only to live on as a romantic legend. Then between 1984 – 1991 the State of West Virginia built a detailed replica on its original foundation. Once on the Island, a **Costumed guide** will lead you through the reconstructed **Blennerhassett Mansion** where the family lived like kings and queens. After our **guided tour of the Mansion**, enjoy some free time exploring the Island **on your own** and visiting the **Friends of Blennerhassett Gift Shop**. A **30-minute horse-drawn wagon ride** showcases the Island. After exploring the Island and its history, we return to the **"Island Belle"** for the trip back to the mainland. Tonight, after **dinner** we will be **entertained by Margaret Blennerhassett**, as portrayed by a Costumed actor. An aristocrat, she entertained travelers to the

Ohio Valley with dancing, music, and the readings of poetry at the Blennerhassett Mansion. Margaret Blennerhassett is acknowledged at West Virginia's first poet, and credited with bringing a high level of culture to the Mid-Ohio Valley. (B, D)
Day 3: After a **deluxe continental breakfast**, we are off to continue our exploration of **"The Mountain State"** before departing for home. Our first stop is at the **Holl's Swiss Chocolatier in Vienna, West Virginia**. Browse, shop and enjoy delicious **chocolate samples** while learning the history of this small family-owned business. Next we visit **Henderson Hall Plantation in Williamstown, West Virginia**. Built in 1859 as the centerpiece of the 2,600-acre plantation, it's an impressive 17-room pre-Civil War mansion with all of its original furnishings. It survives today as a legacy of the Victorian and Edwardian eras. Henderson Hall is a living legacy to the pioneers and patriots who walked its halls through an unbroken chain of five generations. The house, grounds and Henderson family cemetery is designated the Henderson Hall Historic District and is listed on the National Registry of Historic Places. The house was built by George Washington Henderson the grandson of Scottish immigrants. His grandfather, Alexander, who settled in Fairfax, Virginia, was friend, neighbor and pew mate of George Washington. We extend a very special invitation to all the **Gunther Tours** travelers who are fans of legendary **Patsy Cline** and her timeless music! “*Always Patsy Cline*” is more than a tribute to the iconic country singer who died tragically at age 30 in a plane crash in 1963. Our first destination is the **Connecticut River Museum** located on the docks of the Connecticut River in **Essex, Connecticut**. Discover the regions rich heritage and natural beauty through the museum's impressive collection of paintings, manuscripts, books, art and artifacts. Later, we climb aboard the sloop **Onrust** for a **sightseeing cruise**. Discover the rich heritage and natural beauty of the Connecticut River Valley while you enjoy views of river wildlife and landmarks while gliding through the cool, peaceful waters of the Connecticut River. Don't forget to visit the museums gift shop and pick up a unique souvenir to remember the day following our cruise. New York City Broadway
"COME FROM AWAY"
A Broadway Musical
Gerald Schoenfeld Theatre
& Lunch at Mont Blanc 52
New York City, New York

In a heartbeat 38 planes with 6,579 passengers were stranded in a remote town in Canada. The Broadway musical **"Come From Away"** is based on the true story of airline passengers and the local citizens, who were forever bonded on 9/11, after their planes were forced to land at Gander International Airport, a small town on Newfoundland Island. The citizens of Gander met the stranded passengers with an overwhelming display of friendship and goodwill. As the passengers stepped from the airplanes, exhausted, hungry and distraught after being held on board for nearly 24 hours while security checked all of the baggage, they were greeted with a feast prepared by the townspeople. The locals opened their hearts and homes, and hosted this international community of strangers – spurring unexpected camaraderie in extraordinary circumstances. On September 11, 2001, the world stopped. On September 12, their stories moved us all. **Note: "Come From Away" is recommended for children ages 10 and older. Frank Lloyd Wright Homes Fallingwater & Kentuck Knob & Lunch at the Café, Included Mill Run & Dunbar, Pennsylvania

Come join **Gunther Tours** today for a delightful day in **Pennsylvania's Laurel Highlands**. First we will visit **Frank Lloyd Wright's Fallingwater** in **Mill Run, Pennsylvania**. One of Frank Lloyd Wright's most widely-acclaimed works, Fallingwater was designed in 1935 for the family of Pittsburgh department store owner Edgar J. Kaufmann. Dramatically cantilevered over a waterfall, the house, perhaps better than any single work exemplifies Wright's concept of organic architecture: the harmonious union of art and nature. Fallingwater is named one of "50 places of a lifetime" by National Geographic Traveler. Following **lunch**, we make the short drive to **Dunbar, Pennsylvania** to **Frank Lloyd Wright's Kentuck Knob**. Kentuck Knob is built high atop a bluff and overlooking the Youghiogheny River Gorge. The house occupies a special place by virtue of its beauty and the isolation of its mountain site, the vitality of its plan, and the quality of its materials and construction. A great believer in the beauty of natural materials, Mr. Wright combined the native fieldstone so abundant throughout the property with tidewater red cypress to create a chorus of color and texture that replicates the surrounding landscape. **Note:** Fast food stops will be made both en route to Pennsylvania's Laurel Highlands, and on the return trip home. **Please make sure you are an able walker before booking onto this trip. Wear comfortable walking shoes, (no heels). This tour is not suitable for people who have trouble with mobility! (L)**

Day 3: After a **deluxe continental breakfast**, we depart for **Christmas at Boone Hall Plantation**. Boone Hall comes alive with festivities, decorations, and good ole southern holiday hospitality, which is only befitting America's Most Photographed plantation. The plantation mansion and grounds are decorated with beautiful Christmas decorations of every kind. There are beautiful Christmas trees in every room of the plantation's main floor adorned with a variety of Christmas ornaments and decorations. For example, one tree is trimmed with inspired ornaments made with local sweetgrass, while another has decorations made with cotton and berries grown on the plantation. Also, there are wreaths made from the leaves of magnolia trees that grow on these historical grounds. Live fruit decorate the front entrance arrangement. There are no plastic decorations on this plantation, all the trees are live, and the entire house is filled with fresh yuletide smells. It's holiday decorating at its finest, an annual affair at Boone Hall Plantation! Following lunch **on our own**, we return to our hotel where you will have time to relax and freshen up before going out for tonight's **dinner at RB's Seafood Restaurant**. After dinner, we take our seats for **Christmas On the Air** performed by the **Gracie and Lacy Show** at the **Charleston Museum**. This multi-talented sister duo will dazzle you with power-house vocals, swing & tap dancing numbers, hilarious comedy, and a colorful array of elegant vintage costumes, wrapped in the nostalgia of yesterday's Radioland! Gracie and Lacy draw inspiration from the Golden Era of Hollywood, and have been influenced by the sounds of *Frank Sinatra, the Andrew Sisters, Fred Astaire, Judy Garland, Bette Midler, Doris Day, Georgia & Ira Gershwin* and many others . . . "*Because classic never goes out of style*". So, sit back, relax and enjoy this unforgettable and highly entertaining holiday show before returning to our hotel for a good night's sleep. **(B, D)**

Upon our arrival, enjoy a **self-guided tour** and experience one of New York's most beloved winter traditions as you enter an enchanting world of garden-gauge trains and trolleys winding their way through replicas of more than 140 New York landmarks.
