3. All deposits are due within a 7 day period following your reservation. If deposits are not received within 7 days, your reservation will automatically be cancelled without notice.

4. We do not rotate seats on any tours.
5. Those with physical handicaps do get preferred seating, but we must know at time of reservation.
6. We do sympathize with those who suffer from motion sickness, and there are too many to always accommodate, so please check with your doctor about medication and/or patches so that your trip is a pleasant one. You may also want to try *Transderm Scop*, or an over-the-counter product for motion sickness.

Meal Choices:

1. Meal choices are required on some tours. Please give your choice when making your reservation. If you do not give your choice upon booking, we will make the choice of chicken, if available, or a suitable choice as stated in the itinerary.

Cancellations/Refunds:

1. All money will be gladly refunded in full when cancellation is made 45 days prior to departure (which is the same as the balance due date). Any cancellation made after the 45 days will result in forfeiture of any amounts paid by the customer (no option of transferring the money paid onto another tour).
2. **A \$2.00 service charge for any cancellations unless you transfer to another tour.**
3. We will make every effort to sell your seat, providing we have a waiting list.
4. Gunther Tours strongly suggests trip cancellation insurance. You can obtain an insurance brochure by calling the office; however, you will need to contact the insurance company direct for rates and information. See information under insurance.

Motor Coach Information:

Gunther Tours owns and operates the very best equipment for your traveling comfort. We offer reclining seats, air conditioning, lavatory, picture windows and public address systems.

Tour Costs:

It is assumed that all portions of the tour will be used by each individual. There will be no refunds for unused sightseeing, meals, or admission tickets.

Articles left on coach:

1. We cannot assume any responsibility for any articles that are left on the coach at any time. Please check your seat and overhead space carefully for any items you may have purchased or brought with you before departing the coach.
2. Gunther Tours does have a "lost & found" where we will hold items left on the coach for 1 week. After that time, all items are sent to different shelters, etc, for the needy.

Insurance:

1. Gunther Tours carries standard liability insurance only.
2. We highly recommend that you get trip cancellation insurance on any overnight tour. You can tell the office to have a brochure mailed to you, but you will need to contact the insurance company direct for rates and information: **Allianz Travel Insurance # 1-800-284-8300, and reference claim #F022404.**
3. Be advised, some of our tours are of a strenuous nature requiring much walking. Check your itinerary. Again, we highly recommend you purchase insurance to avoid any monetary loss to you, in case of a cancelled or interrupted tour. Gunther Tours is not responsible in these cases.

2. If your old address and phone number is still on your check, **please** cross it out, and write the correct information on your check.

Method of Payment:

1. Gunther Tours accepts payment on motorcoach, air vacations, and cruise vacations in the form of cash, personal check, or by **credit card!** For your convenience, we accept **Discover, MasterCard, and Visa.**

& Lunch at Hickory Bridge Farm
Fayetteville, Pennsylvania

Travel to **Totem Pole Playhouse** in **Fayetteville, Pennsylvania** and spend an afternoon with the cast of **"Always Patsy Cline"**. **"Always Patsy Cline"** is more than a tribute to the iconic country singer who died tragically at age 30 in a plane crash in 1963. The show is based on a true story about Cline's friendship with a fan from Houston named Louise Seger, who befriended the star in a Texas honky-tonk in 1961, and continued a correspondence with Cline until her death. The musical play, complete with down home country humor, true emotion and even some audience participation, includes many of Patsy's unforgettable hits such as **"Crazy," "I Fall to Pieces," "Sweet Dreams"** and **"Walking After Midnight"**. The show's title was inspired by Cline's letters to Seger, which were consistently signed **"Love ALWAYS...Patsy Cline"**. **The Kennedy Center
"Jersey Boys"
& Lunch at Buca di Beppo
Washington, D.C.**

Travel today to our nation's capital, **Washington, D.C.**, and spend an afternoon with the cast of **"Jersey Boys"** at **The John F. Kennedy Center for the Performing Arts**. **"Jersey Boys"** is the musical about **Rock and Roll Hall of Famers – The Four Seasons: Frankie Valli, Bob Gaudio, Tommy DeVito and Nick Massi**. **"Jersey Boys"** is a musical biography of the Four Seasons – the rise, the tough times and personal clashes, and the ultimate triumph of a group of friends whose music became symbolic of a generation. Far from a mere tribute concert (though it does include numbers from the popular Four Seasons songbook), **"Jersey Boys"** gets to the heart of the relationships at the center of the group – with a special focus on frontman Frankie Valli, the small kid with the big falsetto. In addition to following the quartet's coming of age as performers, the core of the show is how an allegiance to a code of honor learned in the streets of their native New Jersey got them through a multitude of challenges: gambling debts, Mafia threats and family disasters. **"Jersey Boys"** is a glimpse at the people behind a sound that has managed to endure for over four decades in the hearts of the public. **Due to adult themes and strong language, "Jersey Boys" may be inappropriate for ages 12 and under.** Before the show enjoy a delicious authentic **family style Italian lunch** at **Buca di Beppo Italian Restaurant**. With a staff that take great pride in providing stellar service and chefs that produce mouthwatering family style portions that are sure to delight, you will feel like family the moment you walk in the door. **The Kennedy Center
"To Kill a Mockingbird"
& Dinner at Harriet's
Washington, D.C.**

Travel today to our nation's capital, **Washington, D.C.**, and spend a delightful afternoon with the cast of **"To Kill a Mockingbird"** at **The John F. Kennedy Center for the Performing Arts**. Academy Award winner Aaron Sorkin has adapted Harper Lee's Pulitzer Prize-winning masterwork for the stage with spectacular, universally praised results, creating "a modern American classic" (*The Hollywood Reporter*) and the most coveted ticket of the Broadway season. Hailed by Jesse Green of *The New York Times* as "a *Mockingbird* for our moment – beautiful, elegiac, even exhilarating," Sorkin's work beats with a contemporary and altogether urgent pulse. With its unflinching and wholly relevant portrait of race relations and our criminal justice system, not to mention what might be the most indelible cast of characters ever to populate a work of theater, **"To Kill a Mockingbird"** is every bit as enthralling to audiences today as when Harper Lee's novel was published in 1960. Directed by Tony Award winner Bartlett Sher, *Mockingbird* has quickly become "one of the greatest plays in history". **"A momentous event in the life of anyone who experiences it."** – *The Washington Post*. **"A great work of American theater."** – *The Philadelphia Inquirer*. **"All rise for the miracle that is *To Kill a Mockingbird*."** – *Rolling Stone*. **"To Kill a Mockingbird" is recommended for ages 12 and older.** After the show enjoy a delicious **buffet dinner at Harriet's Family Restaurant**. A hidden gem located in the historic Harrington Hotel in downtown D.C., the restaurant offers its customers a relaxed family-friendly atmosphere away from the crowds of D.C. tourists. **"To Kill a Mockingbird"** is presented in the Kennedy Center's **Opera House with Orchestra Seats. This delightful coastal community is home to pristine beaches, soft breezes, hurricanes, shipwrecks and pirates, and the beginning of the age of flight. After checking into our **oceanfront accommodations** at the **Hampton Inn & Suites** in **Corolla, North Carolina** for the next **four nights**, we are treated to a delicious **dinner** at a local restaurant. **(D)**

Day 2: After **breakfast** we meet our **step-on guide**, and depart for a day of **sightseeing** in the **Outer Banks**. We begin at the **Corolla Outback Adventures** in search of the **Outer Banks Wild Mustang Ponies**. Feel the ocean breeze and taste the salty beach air as we cruise the Outer Banks beaches in open air, passenger vehicles allowing us to view the horses in their natural environment. Our friendly, knowledgeable and highly trained **tour guides** will entertain us with stories of local legends, the ecology of the Outer Banks, and some quick-witted humor. We will cover up to 20 miles of pristine beach where you may see surfing dolphin and the occasional fox, deer, and boar. The "Banker" ponies roam free across the beaches and you will have the opportunity to get up close and personal with them to enjoy a wonderful photo opportunity and a truly memorable adventure! Following our tour, we depart for **Timbuck II Village** in **Corolla, North Carolina** for shopping and lunch **on your own**. Timbuck II Village overlooks the Currituck Sound on the Northern Outer Banks of North Carolina and features over 60 exciting shops, restaurants and recreation. Later we return to the hotel where you will have some leisure time to sit, relax and enjoy the comforts of our oceanfront hotel. Bring your bathing suit and take advantage of the hotel's outdoor pool, relax on the lazy river or swim laps in the heated, indoor pool. Tonight, we go out for a delicious **dinner** at one of the Outer Banks' premier restaurants. **(B, D)**

Day 3: After **breakfast** we meet our **step-on guide**, and continue our exploration of the **Outer Banks**. We begin with a **photo-stop** at the **Currituck Beach Lighthouse**. This red-brick lighthouse towers above the northern Outer Banks landscape and offers panoramic views of Currituck Sound, the Atlantic Ocean and the Currituck Outer Banks. The last major brick lighthouse built on the Outer Banks, the exterior was left unpainted and provides visitors today a sense of the scale and the thousands of bricks required to construct the structure. Next, we enjoy a **guided audio tour of the Whalehead Club & Exhibit Gallery**, adjacent to the scenic Currituck Sound. The Whalehead Club is a beautifully restored 1920's era Art Nouveau style

mansion. A wealthy couple from Rhode Island who fell in love with the sound front property in Corolla, the Knight's decided to construct a 22,000-square foot home to live in during the wintertime. The tour covers the first and second floors of the Knight family home, plus there is an **exhibition gallery** in the basement. We continue onto the **Center for Wildlife Education** and view a collection of over 200 artistic and antique decoys. This is where Ducks Unlimited got its start. Following our tour, we depart for **Scarborough Faire** in the quaint town of **Duck, North Carolina** for shopping and lunch **on your own**. Scarborough Faire is an open-air market where specialty stores, fine eateries and nature intertwine for a unique shopping experience. The atmosphere experienced is decidedly more like that of a park than a shopping center. So, enjoy strolling along tree-covered walkways exploring one-of-a-kind shops and the works of extraordinary artisans. Later we return to the hotel where you will have some leisure time to sit, relax and experience the comforts of our oceanfront hotel. Tonight, we go out for a bountiful **seafood buffet dinner** that features over 70 items! **(B, D)**

Day 4: After **breakfast** we meet our **step-on guide**, and depart for the **Wright Brothers National Memorial** in **Kill Devil Hill, North Carolina**. Additional exhibits and movies are available in the Centennial Pavilion for your enjoyment. Feeling adventurous? Climb **Big Kill Devil Hill** for a breathtaking view of the area from sound to sea. Perched atop 90-foot-tall Kill Devil Hill is a 60-foot (18m) granite monument, dedicated in 1932, which commemorates the achievement of Wilbur and Orville Wright. Also, we'll stop at the **Jockey Ridge State Park Visitors Center** where you can view the **"Tallest Sand Dune on the East Coast"**. Next enjoy some leisure time exploring the charming **Town of Manteo**, while browsing the many specialty shops and restaurants. Lunch is **on your own**. Next, we visit the **Roanoke Island Festival Park** in **Manteo, North Carolina**, an outdoor living museum depicting life of the early explorers on Roanoke Island. Enjoy a **self-guided tour** of the museum's attractions including **American Indian Town, the Settlement Site, Roanoke Adventure Museum** and the **Elizabeth II** and learning how the first settlers lived, worked and played on Roanoke Island. Historic costumed interpreters are featured throughout. Onboard the **Elizabeth II**, a reproduction of one of the seven 16th-century English sailing vessels that brought the original English colonists across the Atlantic Ocean in 1585, you will be greeted by **costumed docents** who will provide a historical account of the wooden vessel and its passengers. Next, we visit the **Elizabethan Gardens**. Spread over an area of ten acres, the Elizabethan Gardens were created in 1951 to commemorate the first colonists. Fanciful and elaborate gardens were kept to entertain Queen Elizabeth I during her reign. The gardens were created as a living memorial to the time when Sir Walter Raleigh's lost colonists lived in this very place over 400 years ago. The Elizabethan Gardens are a great mix of nature and history. One of the prime attractions in the gardens is the replica of the Tudor Gate House. Several rare plants and flowering blossoms are found here as well. Before returning to our hotel for a good

night's rest, we conclude our day of touring with a delicious **dinner** at a restaurant that combines the natural beauty and local history of the Outer Banks with a delicious island cuisine for a delightfully fun-pirate-theme experience. **(B, D)**

Called "The Beautiful Sea Rocks," by the Mattabeseck Indians, the Thimble Islands are formed of pink granite rocks, ledges, and outcroppings, and are estimated to number between 100 and

365 depending on how you differentiate between an island and a rocky outcropping. First discovered in 1614 by Adrien Block, these islands were used for everything from farming to quarrying granite, from bootlegging to hiding Captain Kidd's treasure. Today some of the wooded islands are topped with beautiful summer cottages built during the Victorian Era-complete with gingerbread trimmings. Following our cruise settle back and enjoy the scenery on our drive to **Massachusetts**. When you visit the Museum, you'll learn about how technologies like steam engines and the automobile changed life along the coast of Maine between 1850 and 1950. Your admission entitles you to a **train ride on an authentic steam locomotive**, and access to the two-dozen authentic period exhibit buildings and the gift shop. Also included is a **behind-the-scenes steam shop tour** where you learn in

depth explanations of narrow-gauge railroad history and steam boiler operations. After a **box lunch** included, be dazzled at the **Coastal Maine Botanical Gardens**. These magnificent gardens are one of Maine's most popular attractions. The Gardens 295 acres of tidal shore land contains well groomed trails that wind through forest, meadows and brilliant ornamental gardens blooming with both native and exotic plant species. While walking through the gardens view many sculptures and works of garden art created by regional artists. There are benches placed throughout the grounds for you to rest and take in the scenery. Our guide will provide detailed information about the elk, as well as any other wildlife we might see while on our tour. The elk, which live in herds and like to graze on open land during the day and sleep in the protection of the forest at night, were introduced onto grasslands created through surface mine reclamation projects. The elk are entirely wild, not bounded by fences, and free to move throughout the region as they wish. Although no one knew exactly how the elk would fare in Kentucky, they have thrived remarkably. Thanks to an absence of predators and an abundance of food, Kentucky is now considered the "**Elk Capital East of the Rockies**" with an estimated elk population of 10,000. Later we return to the lodge for a **buffet lunch**, and after we are treated to a reenactment of "**The Legend of Jenny Wiley**". It is the survival story of Jenny Wiley, a legendary pioneer woman, who was taken captive by Native Americans in 1789, endured the slaying of her brother and children and eventually escaped her captivity after 11 months. Next, we enjoy a **pontoon boat cruise on Dewey Lake**. Following our cruise, we will visit the **East Kentucky Science Center and Planetarium**, located on the Campus of the Big Sandy Community and Technical College. The facility offers

Hall, Ricky Skaggs, Loretta Lynn, Keith Whitley, Dwight Yoakum, and Patty Loveless. Our **guided tour** takes us along the scenic 445 Kentucky Route 172 to our next destination of the day, the **Mountain Home Place** in **Staffordville, Kentucky** for a **tour, lunch** and **entertainment**. The setting is a glimpse back in time to the mild 1800’s to a typical rural farm in the mountains of Eastern Kentucky. First, you will view a short **documentary narrated** by **Richard Thomas, aka “John Boy”** of this early mountain life. Then **characters in period dress** present stories of the log house, barn, the blacksmith shop, and of the church and school.
