Travel with Peace of Mind

Taking care of our customers and employees is our #1 priority. Our Team will continue to work hard to make sure we are all safe when traveling.

Gunther Charters has taken enhanced health and safety measures for you, our other guests, and our employees. You must follow all given instructions while traveling with us. An inherent risk of exposure to COVID-19 exists in any public place where people are present. According to the Center for Disease Control and Prevention (CDC), senior citizens and those with underlying medical conditions are especially vulnerable. By traveling with Gunther Tours, you voluntarily assume all risks related to exposure to COVID-19. Join us by keeping each other healthy and safe by practicing good hygiene.

The following are the steps and policies we are implementing to secure everyone's safety on our Gunther Tours:

We recognize that the COVID-19 situation is constantly evolving. Gunther Tours has built on our already stringent cleaning processes. We have increased safety and cleaning measures to address concerns and provide reassurance in the current environment. In addition to equipping Staff with personal protective equipment such as masks and gloves, our Staff will be trained on hygiene education, including disinfection and sanitation practices. The coaches will be cleaned regularly throughout your tour, especially all visible touchpoints.

The coach will be boarded by the assigned seating from back to front, when possible, to limit as much contact as possible. Conversely, we will disembark from front to back.

Passengers must continue to wear masks while onboard the coach.

For the health and safety of everyone, we will take the temperature of each passenger when boarding the coach. Anyone with a temperature of 100.4 or above will not be permitted to board the coach for the safety of others. If you arrive for a tour with multiple guests in the car with you and any one in the group is determined to have a temperature of 100.4 or higher, all passengers in that group will be denied admittance to the tour. The cost of the trip will be refunded to all passengers affected.

On multi-day tours, temperatures will be taken every morning of the trip. If anyone has developed symptoms or exhibits a temperature of 100.4 or higher, that passenger must depart the tour at their own expense and the other passengers will be informed. **We highly recommend you purchase trip cancellation insurance on any tour to avoid any monetary loss to you, in case of a cancelled or interrupted tour.**

The driver will take care of all luggage on and off the coach. Please do not handle anyone's luggage but your own!

"HADESTOWN" & Dinner at Harriet's Washington, D.C.

Travel today to our nation's capital, Washington, D.C., and spend a delightful afternoon with the cast of **"HadesTown"** at **The John F. Kennedy Center for the Performing Arts**. Travel today to our nation's capital, **Washington, D.C.**, and spend a delightful afternoon with the cast of **"Hadestown"** at **The John F. Kennedy Center for the Performing Arts**. Welcome to **"Hadestown"**, where a song can change your fate. **"Hadestown"** is the winner of **8 Tony Awards, including Best Musical!** This acclaimed new musical by singer-songwriter Anais Mitchell and director Rachel Chavkin (*Natasha, Pierre & The Great Comet of 1812*) is **"the**

Riverside Dinner Theater "Ragtime" Fredericksburg, Virginia

Travel to **Riverside Dinner Theater** in **Fredericksburg, Virginia** and spend an afternoon with the marvelous cast of **"Ragtime"**. Based on the novel by E.L. Doctorow, with music by Stephen Flaherty, lyrics by Lynn Ahrens, and a book by

playwright, Terrence McNally this amazing musical is set at the dawn of the 20th century, everything is changing . . . and anything is possible in the volatile melting pot of turn-of-the-century New York. Three distinctly American tales are woven together – that of a stifled upper-class wife, a determined Jewish immigrant and a daring young Harlem musician – united by their courage, compassion and belief in the promise of the future. Together, they confront history's timeless contradictions of wealth and poverty, freedom and prejudice, hope and despair . . . and what it means to live in America. Historical figures including Harry Houdini, Booker T. Washington, J. P. Morgan, Emma Goldman and more are also incorporated into the telling of **"Ragtime"**. The Tony-winning score is just as diverse as the melting pot of America itself, drawing upon many musical styles, from the ragtime rhythms of Harlem and Tin Pan Alley to the klezmer of the Lower East Side, from cakewalks to gospel, bold brass band marches to delicate waltzes, from up-tempo banjo tunes to period parlor songs and expansive anthems. The music includes marches, and ragtime. A truly unique and powerful portrait of America, **"Ragtime"** is sure to inspire actors and audiences alike! Our **guided tour** takes us along the scenic 445 Kentucky Route 172 to our next destination of the day, the **Mountain Home Place in Staffordsville, Kentucky** for a **tour, lunch and entertainment**. The setting is a glimpse back in time to the mild 1800's to a typical rural farm in the mountains of Eastern Kentucky. Following our tour, we stop in at the **Dickens Welcome Center/Ye Ole Curiosity Shoppe** where volunteers in costume share stories and photos of how the Dickens display was created. **The Imagination Station** is everyone's favorite place for reminiscing. You will select a perfect Victorian hat, gloves, and cape as you imagine yourself being a Victorian lady or gentleman and posing for a picture with Charles Dickens. Later settle back and enjoy a holiday themed movie on our drive home, while reminiscing about **"The Buckeye State"** Christmas lights, seasonal music, yuletide cheer and a dazzling holiday celebration show! **Happy Holidays! COVID-19 Health and Safety Update Effective 6/3/20

Dear Valued Partners and Friends,

As important Gunther Charter customers, we want to keep you informed of the safety measures we have implemented to keep our customers and employees safe. Safety is and will always be our top priority, so it is important to keep everyone informed and assured of their safety as our Nation begins to reopen and we begin to travel once again.

Physical distancing will be monitored. We will be leaving the first row of seats behind the driver vacant to allow sufficient distance. We will also be limiting passenger capacity on the coaches to follow social distancing guidelines as much as possible.

We require all employees and customers to wear a face covering while onboard the coach.

Daily Base Sanitizing/Disinfecting Process

Our coach disinfecting process always includes a thorough cleaning after each trip. We use an automated wash bay for exterior surfaces. All interior surfaces and windows are sanitized. Floors are mopped and all hard surfaces are cleaned using an EPA approved disinfectant. In addition, interiors will be treated with an electrostatic fogging process using a CDC approved, non-toxic chemical (Virox 11/256. EPA Registration # 70627-24 N list approved). This product eradicates all germs, bacteria, viruses and odors.

Continuous Disinfection Process

We have also added a premium, upgraded MERV 13 cabin filtration system that continually filters 0.3 – 10.00-micron particles. This system eliminates dust, lint, pollen, mold spores, microscopic allergens and virus carriers.

In addition, we have installed a UV-C HVAC light disinfection system that works continuously to kill up to 99% of microbial contaminants.

Of course, there is always hand sanitizer (60% alcohol) in the rest rooms and the drivers will be supplied with disinfectant products for surface cleaning of high traffic areas (lavatory, handrails, etc.) during downtime, whether it be an attraction or at a hotel for multi-day trips.

The well-being and comfort of our customers is very important to us. We will continue to monitor public health concerns and adhere to all state guidelines and will keep everyone informed as we move forward with our tours and charter service.

Please keep in mind the safety precautions outlined by the CDC:

- There is currently NO vaccine to prevent COVID-19
- Stay home when you feel sick
- Avoid contact with people who are sick
- Cover your mouth when you sneeze or cough
- Avoid touching your eyes, nose and mouth
- Wash your hands frequently with soap for at least 20 seconds or an alcohol-based hand sanitizer

Any employees who exhibits symptoms of COVID-19 or have come in contact with anyone exhibiting symptoms, will be required to advise us and stay home from work, until they remain symptom free for the CDC recommended 10-day period.

If any passenger on the coach develops symptoms or becomes ill, they must be removed from the tour and make arrangements to return at their own expense. **We highly recommend you purchase trip cancellation insurance on any tour to avoid any monetary loss to you, in case of a cancelled or interrupted tour.**

We appreciate your business over the past 30 years. Our success has been due to our loyal customers. The past few months have been difficult on everyone and information has been changing almost daily. With your help and continued patronage, we will emerge from this unprecedented time and be able to enjoy traveling and being with our friends again soon.

Sincerely,
Martin Gunther
