You may also want to try *Transderm Scop*, or an over-the-counter product for motion sickness.

1. Meal choices are required on some tours. Please give your choice when making your reservation. If you do not give your choice upon booking, we will make the choice of chicken, if available, or a suitable choice as stated in the itinerary.

Departures/Pick Up Points:

1. Specific times for departures are listed in the brochure for each tour. Please be at your selected departure point at least 15 minutes prior to departure time.
2. We have 2 pick-up locations for our tours:

Gunther Charters on Shipley Avenue, off Dorsey Road near BWI airport and
Carney Park & Ride, exit 31-A off Rt. 695, east and **exit 31-B** off Rt. 695, north 1 block past Joppa Road to Jomat Ave. – this is the 9600 block of Harford Road.

4. We now offer a **Howard/Carroll County** departure point, (see directions page 10), for all Gunther multi-day motorcoach tours and selected one-day motorcoach tours traveling west only!

5. If you decide to change your departure point, please **notify the office A.S.A.P.**
6. We will make an additional courtesy pick up for those who have 20 or more in their party. If this occurs pick up and return times may be changed. You will be notified of any changes on an tour.

Cancellations/Refunds:

1. All money will be gladly refunded in full when cancellation is made 45 days prior to departure (which is the same as the balance due date). Any cancellation made after the 45 days will result in forfeiture of any amounts paid by the customer (no option of transferring the money paid onto another tour).
2. **A \$2.00 service charge for any cancellations unless you transfer to another tour.**
3. We will make every effort to sell your seat, providing we have a waiting list.
4. Gunther Tours strongly suggests trip cancellation insurance. You can obtain an insurance brochure by calling the office; however, you will need to contact the insurance company direct for rates and information. See information under insurance.

Motor Coach Information:

Gunther Tours owns and operates the very best equipment for your traveling comfort. We offer reclining seats, air conditioning, lavatory, picture windows and public address systems.

Tour Managers:

Gunther Tours is very proud of our tour managers, which are provided on every tour, whether a one day or multi-day tour, and they are there to assist you with any situations that may arise.

Tour Costs:

It is assumed that all portions of the tour will be used by each individual. There will be no refunds for unused sightseeing, meals, or admission tickets.

Articles left on coach:

1. We cannot assume any responsibility for any articles that are left on the coach at any time. Please check your seat and overhead space carefully for any items you may have purchased or brought with you before departing the coach.
2. Gunther Tours does have a "lost & found" where we will hold items left on the coach for 1 week. After that time, all items are sent to different shelters, etc, for the needy.

Insurance:

1. Gunther Tours carries standard liability insurance only.
2. We highly recommend that you get trip cancellation insurance on any overnight tour. You can tell the office to have a brochure mailed to you, but you will need to contact the insurance company direct for rates and information: **Allianz Travel Insurance # 1-800-284-8300, and reference claim #F022404.**
3. Be advised, some of our tours are of a strenuous nature requiring much walking. Check your itinerary. Again, we highly recommend you purchase insurance to avoid any monetary loss to you, in case of a cancelled or interrupted tour. Gunther Tours is not responsible in these cases.

Pittsburgh Panorama From Steel City to City of Bridges Pittsburgh, Pennsylvania

Day 1: Welcome Aboard! Settle back, relax and enjoy a leisurely drive to **Pittsburgh, Pennsylvania** for an exhilarating *“New Tour” Get-Away!* Our first destination is the **Oakhurst Grill** in **Somerset, Pennsylvania** for a delicious **buffet lunch**. Known for their fresh ingredients, burgers prepared daily, homemade breads and desserts, soups made from scratch, the Oakhurst Grill offers comfortable atmosphere, with a rustic look and a modern feel will make for a great place to enjoy a hearty meal. After lunch we depart for Pittsburgh. Upon our arrival, we visit the **Carrie Blast Furnaces**, a remnant of the once massive, legendary U.S. Steel Homestead Steel Works. The Carrie Blast Furnaces are a vestige of Pittsburgh’s 20th-century domination of the steel industry. Our tour highlights Pittsburgh’s steel heritage, and how this post-industrial site became a muse for many artists! Declared a National Historic Landmark in 2006, Carrie,

as it’s affectionately known, entices visitors to marvel at the scale and legacy of its industrial might. During our **two-hour guided walking tour**, you’ll hear stories about the site’s technology, including why it is nationally significant, as well as get to know the culture of its workers. Also, we will learn about the iron-making process, from the movement of the raw materials to the tapping of the furnaces that produced fiery molten iron. Next, we check in to our accommodations for the next **two nights** at the **Drury Inn & Suites**, a *perennial favorite* of **Gunther Tours** travelers. A refrigerator and microwave are provided in your hotel room. Each evening from 5:30 to 7:00 pm, the Drury Inn & Suites hosts a **Manger’s Reception with free hot food & cold beverages for guests, including beer, wine and mixed drinks**. (L, MR)

Day 2: After **breakfast** we meet our **step-on guide**, and depart for a day of **Pittsburgh sightseeing**. Pittsburgh’s rich history as a steel town earned it the moniker the Steel City. Steel still plays a role in the city, but gone are the days of smog covering Pittsburgh as other industries, including tech and medical, have become just as prominent as steel. On this tour you will visit Pittsburgh’s neighborhoods including: the Southside; Station Square; North Shore; North Side; the Strip District; the Cultural District; Downtown; Uptown; and Oakland. You will learn about all the history, current events, architecture and more. Included in our tour is a visit to the **Phipps Conservatory and Botanical Gardens**, with a 14-room glasshouse and 23 distinct gardens. Following lunch **on your own**, we embark on a **ride on the Duquesne Incline** – take a step back in time on a century-old cable car to see the best views of downtown Pittsburgh. The Incline’s upper station has a museum of Pittsburgh history. Next, we board the **Rivers of Steel Riverboat** for a **90-minute sightseeing cruise of Pittsburgh’s three rivers: Allegheny, Monongahela, and Ohio**. Pittsburgh beats out Venice, Italy, for the city with the most bridges. The City of Bridges is home to 446 bridges. Venice, on the other hand, lays claim to approximately 400 bridges. This tour tells the story of how Pittsburgh became a modern city it is today, sharing the character of the city and the ways in which the region’s industries and entrepreneurs have been on the vanguard of reinvention for more than 250 years! We conclude our day of touring with a delicious **dinner** at the **Grand Concourse Restaurant**, located in the beautifully preserved **Pittsburgh & Lake Erie Railroad Station**. The Grand Concourse Restaurant at Station Square is a true testament of grandeur and elegant dining. With cathedral stained-glass vaulted ceilings, marble columns, and a dramatic staircase, you are quickly transported to the glamorous side of the Progressive Era, and offers exceptional dining on a savory modern-day menu. After dinner, we return to the hotel for a good night’s sleep. (B, D)

Day 3: After **breakfast** we depart for the Laurel Highlands of southwest Pennsylvania to visit **Frank Lloyd Wright’s Fallingwater** in **Mill Run, Pennsylvania**. One of Frank Lloyd Wright’s most widely acclaimed works, Fallingwater was designed in 1935 for the family of Pittsburgh department store owner Edgar J. Kaufman. Dramatically cantilevered over a waterfall, the house, perhaps better than any single work exemplifies Wright’s concept of organic architecture: the harmonious union of art and nature. Fallingwater is named one of *“50 Places of a Lifetime”* by National Geographic Traveler. A **box lunch** is included at the **Café at Fallingwater**. Our next stop will be

in **Shanksville, Pennsylvania** to visit the hallowed ground of the **National Memorial and Memorial Chapel honoring the victims of 9/11 Flight 93**. The Flight 93 National Memorial and Memorial Chapel are moving tributes to the 40 passengers and crew who died while thwarting a terrorist attack on the U.S. Capitol. The Memorial Chapel houses moving personal items from the victims, as well as many tributes. Following our tour, we depart for home taking with us fond memories of our visit to the Steel City, the incredible genius of Frank Lloyd Wright and the Flight 93 heroes of 9/11. **(B, L)**

Jim Thorpe has been called the “**Switzerland of America**” due to the picturesque scenery, mountainous location, and architecture; as well as the “**Gateway to the Poconos**”. The town has a fascinating history of romance, struggle, survival, boom, bust and revival. Originally named Mauch Chunk, during the Victorian era 19 of the country’s 26 millionaires had a residence in Mauch Chunk, and the town was second only to Niagara Falls as the most visited tourist destination. In 1953 following the death of renowned athlete and Olympic medal winner Jim Thorpe, the struggling town decided to memorialize and adopted the name of Jim Thorpe. A member of the Sac and Fox Nation from Oklahoma, he began his legendary sports career as a student at the Carlisle Indian Industrial School in Carlisle, Pennsylvania, and later he would become one of the greatest athletics of all time, breaking racial barriers in the process. You will have leisure time to explore the charming shops, local boutiques, antique shops, Main Street merchants, restaurants, pubs, and art galleries, all within walking distance. Lunch is **on your own**. Next surround yourself with the scenic beauty of the **Pocono Mountains** on a **70-minute excursion on board the Lehigh Gorge Scenic Railway**. The **narrated round trip** follows the majestic Lehigh River over bridges, through Glen Onoko, and into the Lehigh Gorge State Park. High-rising cliffs, mountain scenery, and wildlife surround the train along the forested route to Old Penn Haven. Join **Gunther Tours** for a day of adventure and exploration in this charming Victorian town and experiencing the beauty of the Pocono Mountains!

Day 4: After **breakfast** we depart for **Mitchell, South Dakota** and **The Corn Palace**. The rich history of this region dates back one thousand years beginning with a tribe of semi-nomadic hunter farmers who first harvested corn in this area. The story continues with the Homestead Act of 1862 and westward expansion of the railroad, and how these events led to the construction of this unique building. More than just a tourist attraction with indoor and outdoor murals made from cobs of corn, this unique building is a community center and serves as a symbol of tribute to the agriculture heritage of South Dakota. Next, we depart for **Chamberlain, South Dakota** and the **Keelboat Visitor Center**. Climb on aboard a re-creation of a 55-foot Keelboat that the Corps of Discovery traveled on as they explored the Missouri River and experience breathtaking views from the stern of the keelboat. “Re-live” Lewis and Clark’s journey with interpretive panels that explain the Corps adventures traveling through present day South Dakota. We depart Chamberlain for the **Town of Wall**, home of the famous **Wall Drug Store**. The drug store first opened as a small pharmacy during the depression and eventually developed into a large roadside tourist attraction. **Lunch** is included at the **Wall Drug Café**. After our visit, we depart for **Keystone, South Dakota** for a **four night** stay at the **K Bar S Lodge**, a boutique style hotel nestled in the hills of the Norbeck Wildlife Preserve and Black Hills National Forest. K Bar S Lodge offers views of Mount Rushmore and conveniently located to area attractions including Rushmore Cave, the President’s Alpine Slide, Custer State Park, National Presidential Wax Museum, the Rushmore Borglum Story and Harney Peak. Feeling adventurous? During your free time you will have the opportunity to hike one of the many nearby trails that will lead you to vistas and landscapes you will not see anywhere else! Tonight, **dinner** is included at the lodge. **(B, L, D)**

Day 5: After **breakfast** we depart for an exciting day of **sight-seeing in the Black Hills**. Don’t forget your camera! Our first stop is at **Bear Country U.S.A.**, the home of the largest collection of privately owned black bears in the world. Guests are guaranteed to see more than they bargained for from the comfort of our deluxe motor coach, as visitors watch as these clowns of nature frolic in a pool, climb trees and amble across the road in front of our motor coach. In **Babyland**, you will see black bear cubs and young wolf pups romp through their grassy enclosures.

Our next stop, **Mt. Rushmore National Memorial** is known in the Black Hills as the **Shrine of Democracy, featuring the huge carved faces of Presidents Washington, Jefferson, Lincoln, and Theodore Roosevelt looking down**. You will also have the opportunity to visit the **Studio of Gutzon Borglum**, the monuments sculptor, and the gift shop. Later we return to our hotel to relax and freshen up before going out for a fun evening at the **Fort Hays Chuckwagon Supper & Cowboy Music Variety Show**. Experience the Old West like never before with one of the best family-friendly attractions in **Rapid City, South Dakota**. It is truly an authentic western experience – a present day reflection of the early spirit of west-

ern frontier! **(B, D)**

Day 6: After **breakfast** we depart for a **tour of Custer State Park**. Few truly wild places remain in this country, yet Custer State Park is one of them! The 71,000-acre park is home to a variety of wildlife and magnificent scenery. Nearly 1,500 bison, commonly called buffalo, roam the prairies and hills of Custer State Park, which they share with swift pronghorn, shy elk, sure-footed mountain goats and curious burros. Following our tour, we will enjoy a delicious **lunch** before returning to our hotel. You will have leisure time to unwind, relax and freshen up before we go out for this evening’s **dinner and entertainment**. Later we depart for **Crazy Horse Memorial**, home of the world’s largest mountain sculpture in progress. The Memorial’s visitor complex includes the 40,000-square foot Welcome Center and theatres, the **Indian Museum of North America**, the **Native American Educational & Cultural Center**, the sculptor’s log home studio and workshop, indoor and outdoor galleries, museum gift shop, restaurant and snack bar areas and an expansive viewing veranda. We conclude our day with **dinner** at the **Crazy Horse Memorial** before returning to our hotel for a restful night’s sleep. **(B, L, D)**

Day 7: After **breakfast** get your bearings at the Geographic Center of the Nation, marking the middle of the United States. Cross into **Wyoming** and view the first national monument – **Devils Tower**. Stand in awe before this lofty monolith; the Tower is an astounding geologic feature that protrudes out of the prairie surrounding the Black Hills. Perhaps hiking the 1.3-mile Tower Trail around the base. Although famous as the backdrop in *“Close Encounters of the Third Kind,”* historically many of the Northern Plains Indians and indigenous people of the Black Hills regions had connections with the area around Devils Tower. Stories and histories shared by tribal members indicate that the Tower was a sacred site – a place for winter camps, vision quests, and summer ceremonies. Today, many tribes still utilize the park for traditional ceremonies. Visitors will observe prayer cloths and prayer bundles attached to trees around the park, especially along the Tower Trail. Later we depart for **Deadwood, South Dakota** to explore and experience the rich and colorful history, attractions, entertainment, restaurants, local stores, shops and art galleries. Historic Deadwood, South Dakota was home to western legends like Wild Bill Hickok, Calamity Jane and Seth Bullock, who all roamed the town’s wild streets. Lunch and dinner are *on your own*. The town’s laid-back nature beckons you to pull up a chair, take a seat and enjoy one heck of a good meal before returning to our hotel in Keystone. **(B)**

Day 8: After **breakfast** we say goodbye to our host city and depart for **Badlands National Park, South Dakota** to **tour The Badlands National Park**. The Lakota gave this land its name, “mako sica”, meaning “land bad”. This land of sharp ridges, steep walled canyons, gullies, pyramids and knobs has been so ruthlessly ravaged by wind and water that it has become picturesque. The Badlands are a wonderland of bizarre colorful spires and pinnacles, massive buttes and deep gorges. Erosion of the Badlands reveals sedimentary layers of different colors, purple and yellow (shale), tan and gray (sand and gravel), red and orange (iron oxides) and white (volcanic ash). Following our tour, we depart for our overnight stay at the **Country Inn & Suites** in **Sioux Falls, South Dakota**. Tonight, dinner is *on your own* at the Falls Landing Restaurant, adjacent to our hotel. **(B)**

Day 9: After **breakfast** settle back and enjoy the movie *“Field of Dreams”* on our drive across eastern **Iowa** to **The Field of Dreams Movie Site** located in **Dyersville, Iowa**. The Field of Dreams Movie location played host to the 1989 Academy Award nominee for Best Picture of the Year – *“Field of Dreams”*. Since the film’s premier, just as foreshadowed in the movie, people from around the world have visited this mystical ball field to experience the magic for themselves. You are invited to play catch on the diamond, explore the gift shop and take a **tour of the main floor of the recognizable farmhouse**. After our tour, we depart for our overnight accommodations in **Dubuque, Iowa**. A **buffet dinner** is included at the hotel tonight. **(B, D)**

Day 10: After **breakfast** we continue our journey eastward, passing through the **Chicago** area, skirting the south shore of **Lake Michigan**, through **Illinois** on our way to the **Studebaker National Museum** in **South Bend, Indiana**. Home to a priceless collection of vehicles, artwork, archival material and artifacts spanning nearly 200 years, The Studebaker National Museum displays the first and last vehicles the corporation ever made and boasts the largest Presidential Carriage Collection in the world. Following our tour, we depart for our hotel accommodations in **Maumee, Ohio**. After checking into our hotel in **Maumee, Ohio** for the night, **dinner** is included at a local restaurant. **(D)**

Blennerhassett Island Parkersburg, West Virginia

*Come join **Gunther Tours** and board the sternwheeler riverboat, “*Island Belle*” and discover **Blennerhassett Island**, a historic West Virginia state park with a museum, a mansion, and much more!*

Day 1: Welcome Aboard! Settle back, relax and enjoy a leisurely drive on the **West Virginia Turnpike** to the **Ohio River Museum** in **Marietta, Ohio**. The Museum consists of three exhibit buildings that explain the history of the Ohio River, its rich riverboat heritage, and celebrates the golden age of the steamboat. The first building, chronicling the origins and natural history of the Ohio River. The history of the steamboat on the Ohio River system is featured in the second building, along with a **video presentation on river steamboats**. The last building features displays about boat building, mussels in the Ohio River system, and tools and equipment from the steamboat era. Next, we climb aboard the **Valley Gem Sternwheeler** for a delightful **2-hour dinner cruise on the Ohio River**. Relax and enjoy a delicious meal while being entertained by the captain’s stories of the river, both historic and recent. Also, as we cruise along the beautiful Ohio River the captain will hold a question and answer session. Following the dinner cruise, we travel to **Parkersburg, West Virginia**, where we spend **two nights** at the **Comfort Inn**. (D)

Day 2: After **breakfast** we depart for a day of **touring** in **West Virginia**, “*The Mountain State*”. We begin at the **Oil & Gas Museum** in **Parkersburg, West Virginia**. Discover the history of the oil and gas industry in West Virginia and Ohio. The Museum features multiple floors and an outside exhibit area packed with documents, photos, displays, and historical objects from the 150 years of history about the oil and gas industry in Parkersburg and surrounding areas. From boom to bust, there is plenty of information for the history buff and lots of neat gizmos to satisfy the curious. Next, we visit the **Blennerhassett Museum**. The Blennerhassett Museum became the first professionally operated, publicly funded museum of regional history in west/central West Virginia, and is a showcase of three

floors of priceless history relics and objects of art from the Ohio Valley’s past. Exhibits range from prehistoric Indian tools, jewelry, weapons and household items, to oil paintings, old clothing, guns and military paraphernalia, to furniture belonging to West Virginia’s first Governor. Next, we climb aboard the “*Island Belle*”, a working replica of an authentic 19th-century sternwheeler riverboat for a **30-minute cruise to Blennerhassett Island**, a small island located in the Ohio River. In addition to its tranquil natural beauty, the island, nicknamed “Eden”, is the site of a European-style estate whose centerpiece is an enormous mansion surrounded by extravagantly landscaped lawns and gardens. The Palladian style mansion was constructed and occupied by a wealthy Anglo-Irish couple, Harman and Margaret Blennerhassett in 1800. For a brief period, the home became famous as the largest, most beautiful private residence in the American West frontier. Regrettably, Harman and Margaret became entangled with Aaron Burr and fled their island home December 1806. The mansion burned to the ground in 1811, only to live on as a romantic legend. Then between 1984 – 1991 the State of West Virginia built a detailed replica on its original foundation. Once on the island, a **Costumed guide** will lead you through the reconstructed **Blennerhassett Mansion** where the family lived like kings and queens. After our **guided tour of the Mansion**, enjoy a **box lunch** and some free time exploring the island **on your own** and visiting the **Friends of Blennerhassett Gift Shop**. A **30-minute horse-drawn wagon ride** showcases the island. After exploring the island and its history, we return to the “*Island Belle*” for the trip back to the mainland. Tonight, after **dinner** we will be **entertained by Margaret Blennerhassett**, as portrayed by a **Costumed Actor**. An aristocrat, she entertained travelers to the Ohio Valley with dancing, music, and the readings of poetry at the Blennerhassett Mansion. Margaret Blennerhassett is acknowledged at West Virginia’s first poet, and credited with bringing a high level of culture to the Mid-Ohio Valley. (B, L, D)

Day 3: After **breakfast** we are off to continue our exploration of “*The Mountain State*” before departing for home. Our first stop is at **Holl’s Swiss Chocolatier** in **Vienna, West Virginia**. Built upon the talents of three generations of classically trained Swiss chocolatiers, Holl’s uncompromising commitment to sourcing the finest ingredients and attention to detail in creating traditional Swiss chocolates will leave you wanting more. Browse, shop and enjoy delicious **chocolate samples** while learning the history of this small family-owned business. Next, we visit **Henderson Hall Plantation** in **Williamstown, West Virginia**. Built in 1859 as the centerpiece of the 2,600-acre plantation, it’s an impressive 17-room pre-Civil War mansion with all of its original furnishings. It survives today as a legacy of the Victorian and Edwardian eras. Henderson Hall is a living legacy to the pioneers and patriots who walked its halls through an unbroken chain of five generations. The house, grounds and Henderson family cemetery is designated the Henderson Hall Historic District and is listed on the National Registry of Historic Places. The house was built by George Washington Henderson the grandson of Scottish immigrants. His grandfather, Alexander, who settled in Fairfax, Virginia, was friend, neighbor and pew mate of George Washington. Following lunch **on your own** we depart for home with fond memories of regional history of West Virginia, steamboats on the Ohio River, a historic mansion and its scandalous owners on “Eden” Island, an imposing

**Flight 93 Memorial and Chapel
& Lunch at Coal Miner's Diner
Somerset County, Pennsylvania**

Come join **Gunther Tours** today in **Somerset County, Pennsylvania** for a visit to the hallowed ground of **Flight 93 National Memorial and Memorial Chapel** honoring the victims of **9/11 Flight 93**. The Flight 93 National Memorial and Memorial Chapel are moving tributes to the 40 passengers and crew who died while thwarting a terrorist attack on the United States Capitol. Our first destination is **Coal Miner's Diner in Jenne-rostown, Pennsylvania** for a delicious **lunch**. Please provide a **meal choice** when making your reservations. Your choices are **Roast Beef Platter, Roast Turkey Platter** or **Chicken Parmesan**. Coal Miner's Diner offers a comfortable atmosphere, with a rustic look and a modern feel that will make for a great place to enjoy a hearty meal with your fellow travelers. After lunch we depart for **Friedens, Pennsylvania**. Upon our arrival, we visit **Flight 93 Memorial Chapel**. Using his own money, tenacity, and the help of many volunteers, Rev. Alphonse Mascherino was able to convert an abandoned Lutheran church into a non-denominational memorial chapel **one year after the terrorist attacks** of 9/11/2001. The chapel houses moving personal items from the victims, as well as numerous tributes. During that first decade after the crash, the Flight 93 Memorial Chapel served (and still serves) as a place for family and friends of the passengers and crew to gather and honor those who died on 9/11. We conclude our touring day with a visit to **Flight 93 National Memorial in Stoystown, Pennsylvania**. Established by President George W. Bush in September 2002, the Flight 93 National Memorial is a serene place of remembrance and honor. The Memorial pays tribute to those who gave their lives to save the lives of countless others, and forever transformed this common field one day into a field of honor forever! Following our tour, we depart for home never forgetting the heroic sacrifices and courageous actions of the passengers and crew of Flight 93 made on September 11, 2001. (L)

Switzerland of America & Lehigh Gorge Scenic Railway Jim Thorpe, Pennsylvania

Travel with **Gunther Tours** to the quaint Victorian town of **Jim Thorpe, Pennsylvania**, nestled in the breathtaking **Lehigh River Gorge**. Jim Thorpe has been called the **"Switzerland of America"** due to the picturesque scenery, mountainous location, and architecture; as well as the **"Gateway to the Poconos"**. The town has a fascinating history of romance, struggle, survival, boom, bust and revival. Originally named Mauch Chunk, during the Victorian era 19 of the country's 26 millionaires had a residence in Mauch Chunk, and the town was second only to Niagara Falls as the most visited tourist destination. In 1953 following the death of renowned athlete and Olympic medal winner Jim Thorpe, the struggling town decided to memorialize and adopted the name of Jim Thorpe. A member of the Sac and Fox Nation from Oklahoma, he began his legendary sports career as a student at the Carlisle Indian Industrial School in Carlisle, Pennsylvania, and later he would become one of the greatest athletics of all time, breaking racial barriers in the process. You will have leisure time to explore the charming shops, local boutiques, antique shops, Main Street merchants, restaurants, pubs, and art galleries, all within walking distance. Lunch is **on your own**. Next surround yourself with the scenic beauty of the **Pocono Mountains** on a **70-minute excursion on board the Lehigh Gorge Scenic Railway**. Appalachian Mountains & Coal Mine
Including The Greenbrier Bunker Tour
Appalachian Mountains, West Virginia

Day 1: Welcome Aboard! Enjoy the breathtaking fall foliage along every turn of the highway as we leisurely drive through the countryside to *“The Mountain State,” West Virginia*. Our first destination is the **New River Gorge Visitors Center in Lansing, West Virginia**. Here, you can find maps, information, interpretive displays, and a bookstore. The visitor center features an exhibit room filled with photographs and exhibits on the people, towns, and industry of the gorge. Also, there are displays that focus on the recreational activities and natural history of the area, and you can **view videos on the construction of the New River Gorge Bridge, and how the forces of nature created the massive V-shape gorge**. The most easily recognized attractions of the site are the views of the gorge and bridge, so bring your camera! The back deck of the center offers a two-mile view southward into the park. You can discover the striking size of the gorge with one of the world’s oldest rivers at the bottom. A short hiking trail descends into the gorge on a wooden boardwalk. The boardwalk has two observation decks that offer unobstructed views of the longest steel arch span in the western hemisphere and the mile-wide gorge it spans. A fully accessible ramp provides access to the upper observation deck. Next, we continue onto **Beckley, West Virginia**, where we spend **two nights** at the **Country Inn & Suites**. Our accommodations are set amidst the natural beauty and scenic landscape of West Virginia’s Appalachian Mountains. You will have time to unwind and freshen up before we go out for a **wine tasting** at **Daniel Vineyards in Orchard, West Virginia**. Founded in 1990, Daniel Vineyards is a family-owned and operated conservation grape farm and estate winery nestled in the beautiful Appalachian Mountains. Formerly a popular local golf course known as Twin Oaks, the 192-acre property boasts 30 acres of perfectly manicured West Virginia-grown grapes. Enjoy the beautiful scenery and exquisite wines that Daniel Vineyards has to offer. We end our day of touring in **Daniels, West Virginia** at **The Resort of Glade Springs** with a **Culinary Cooking Demonstration** and a delicious **dinner**. We return to our hotel for a good night’s sleep. (D)

Day 2: After **breakfast** we depart for a day of **West Virginia sightseeing**. Our touring begins at the **J.Q. Dickinson Salt Works in Charleston, West Virginia**. A 7th generation salt-making family harvests an all-natural salt by hand, from an an-

cient ocean trapped below the Appalachian Mountains of the Kanawha Valley in West Virginia. Here, we will have time for a **guided tour**, browse the selection of products, sample their salts, and purchase many other items that will bring peace and relaxation to the bathroom back home. After our visit we return to Beckley for lunch *on your own*. Next, we visit the **Historic Coal Camp & Mountain Homestead** in Beckley. This afternoon we take a different type of rail trip. **We will ride on a track through the dark passages of a vintage coal mine in an authentic “Man Car”**. At 1,500 feet beneath the surface, a **veteran coal miner** explains the history of low-seam coal mining, from the early days of mining to the modern era of mechanization. Back above ground you walk into a **Coal Camp**, learning of the time when the company owned the store, the church, schoolhouse and even the miner’s homes. The coal miner’s life was immortalized in song by Tennessee Ernie Ford – *“You load sixteen tons, what do you get? Another day older and deeper in debt. St. Peter, don’t you call me ‘cause I can’t go. I own my soul to the company store”*. Next, we visit **Tamarack: The Best of West, Virginia** for **dinner, shopping and entertainment**. Tamarack is the nation’s first showcase of handcrafts, fine art and regional cuisine. The large arts and crafts facility is run as a West Virginia economic development project and sells West Virginia craft products, such as wood, glass, textiles, pottery, metal, jewelry, as well as specialty food items, fine art, and West Virginia books and recordings. It features a retail store, working studios for resident artisans, a fine art gallery, a theater, and A Taste of West Virginia food court. Enjoy specialty food items for **dinner** from the **Food Court**. Following dinner, we take our seats for **Coal Camp Memories: A One Woman Show**. “Coal Camp Memories,” is a poignant, occasionally humorous, but realistic look at a girl’s life in the Coal Camps. The scenes represent events from her life at the ages of 6, 16, 26 and then a reflection on her life from the age 60. After the show, we return to our hotel for a restful night’s sleep. **(B, D)**

Day 3: After **breakfast** we depart for **White Sulphur Springs, West Virginia** and **The Greenbrier** for a **Bunker Tour**. The secret is out for a must-see experience that takes you behind the scenes and walks you through a fascinating period in the resort’s history! Step inside America’s Secret Agent-Era Past! Exposed in 1992 by the Washington Post, the Bunker at The Greenbrier was one of America’s most closely guarded Cold War secrets. The vast underground relocation center for the U.S. Congress was in readiness from 1962-1992, complete with House and Senate chambers, dorms, power plant, clinic, cafeteria...even a decontamination area. Step through the 18-ton blast door to learn its secrets and how it was kept hidden for more than 30 years. Before departing for home, you will have time to visit The Greenbrier’s distinctive shops and have lunch *on your own* in a local restaurant. As we head for home we conclude our fall foliage get-away with many fond memories of the Appalachian Mountains and a new appreciation for West Virginia’s rich history, its people, coal country, the artisans, regional cuisine and unique West Virginia wines, and the secrets of the Bunker at The Greenbrier. **(B)**
