The Kennedy Center
"Chicago"
& Luncheon at Gadsby's
Washington, D.C.

Travel today to our nation's capital, **Washington, D.C.**, and spend a delightful afternoon with the cast of **"Chicago"** at **The John F. Kennedy Center for the Performing Arts**. **"Chicago"** is the longest-running American musical in Broadway history. Set amidst the razzle-dazzle decadence of the 1920s, **"Chicago"** has everything that makes Broadway great: a universal tale of fame, fortune, and all that jazz . . . one show-stopping song after another . . . and the most astonishing dancing you have ever seen. **"Chicago"** is the story of Roxie Hart, a housewife and nightclub dancer who maliciously murders her on-the-side lover after he threatens to walk out on her. Desperate to avoid

conviction, she dupes the public, the media, and her rival cell-mate Velma Kelly by hiring Chicago's slickest criminal lawyer to transform her crime into a barrage of sensational headlines, the likes of which might just as easily be ripped from today's tabloids. With a legendary book by Fred Ebb and Bob Fosse, music by John Kander, and lyrics by Fred Ebb, "*Chicago*" is the winner of six Tony Awards, including Best Musical Revival. **Note: "*Chicago*" is recommended for ages 13 and older.** Before the show enjoy a delicious **luncheon** at **Gadsby's Tavern Restaurant** in **Alexandria, Virginia**. **Williamsburg, Jamestown & Yorktown
Plus, Virginia's Most Historic Plantation
Tidewater Region of Virginia**

Day 1: Welcome Aboard! Join us and step back in time to a by-gone era and experience the genteel lifestyle of the eighteenth-century on a memorable get-away to the low-lying coastal plain of the Virginia Peninsula, better known as the **Tidewater Region of Virginia**. Our first destination is Virginia's most historic plantation, **Berkeley Plantation**, located on the James River in **Charles City, Virginia**. Upon our arrival we enjoy a **box lunch**, followed by a **docent guided tour of Berkeley's elegant 1726 mansion**. Berkeley's history dates to 1619 when settlers observed the first official Thanksgiving in America. Berkeley's 1726 Georgian mansion is the birthplace of Benjamin Harrison V, signer of the Declaration of Independence and three times governor of Virginia. The estate is also the birthplace of William Henry Harrison, 9th President of the United States. During the Civil War, Berkeley was occupied by General George McClellan's Union troops. While at Berkeley, General Daniel Butterfield composed the familiar tune "Taps," first played by his bugler, O.W. Norton. The mansion is furnished with a rare collection of eighteenth-century antiques, Chinese porcelain, and English silver. A **self-guided tour of the grounds** leading to breathtaking views of the historic James River, monuments to the First Thanksgiving and to Taps, and the Harrison family graveyard are also included. Also, visit the exhibit where you can see the reconstructed slave quarters located on the approximate site of the original slave quarters, and learn about the enslaved people who lived and worked at Berkeley. Before checking into the **Comfort Inn Gateway in Williamsburg, Virginia** for the next **two nights**, enjoy a delicious **dinner** at the **Aberdeen Barn Steakhouse**. (L, D)

Day 2: After **breakfast** we visit the nation's largest and oldest outdoor living museum, **Colonial Williamsburg**. Revisit the past and join in the creation of a new nation. Enjoy being swept up in the daily life of a busy 18th century city as we are greeted by shopkeepers, slaves, and outspoken patriots. Visit the original and restored homes, public buildings, and shops, and stroll

the more than 90-acres of landscaped gardens and courtyards. Your admission provides full access to historic exhibition buildings, including the Governor's Palace, Capital, Museums and The Revolutionary City. A delicious **lunch** is included at **Shields Tavern**. After lunch we continue to explore Colonial Williamsburg and **Merchants Square**. Inspired by the 18th century architectural history of Williamsburg, Merchants Square is a lovely blend of old charm and new flair. Beautiful colonial buildings house a variety of boutiques and shops. Be sure to pick up that special Williamsburg souvenir while at the Square! Before returning to our hotel for a restful night's sleep, enjoy a delicious **dinner** at **The Whaling Company**. (B, L, D)

Day 3: After **breakfast** we escape from the modern day and travel back in time to the **Jamestown Settlement**, a living history museum. Here, near the site of the original colony, you will dive into the cultures of the Powhatan Indians, English colonists and West Central Africans who converged in 17th century Virginia through immersive films, gallery exhibits and outdoor re-creations. From the galleries, walk outdoors to climb aboard a re-creation of one of the three ships that sailed from England to Virginia in 1607, and explore life-size re-creations of the colonists' fort and the world of the Powhatan Indians in a Paspahegh town. The Settlement is a vibrant classroom where you can learn about the cross-cultural encounters and events that planted the seeds of a new nation. Following a delicious **lunch**, which is included, and before we return home, we conclude our colonial get-away with a visit to the **American Revolution Museum**. "Cat on a Hot Tin Roof"
& Lunch at Peddler's Village
New Hope, Pennsylvania

Travel to the historic **Bucks County Playhouse** in charming **New Hope, Pennsylvania**, and immerse yourself in an unfor-

gettable afternoon with the cast of Tennessee Williams' **"Cat on a Hot Tin Roof"**. In this Pulitzer Prize-winning masterpiece, the wealthy but deeply dysfunctional Pollitt family gathers to celebrate the birthday of their aging patriarch, Big Daddy. Unbeknownst to him, Big Daddy is dying of cancer, and the question of who will inherit his vast estate hangs heavily in the air. At the center of the storm is Brick, Big Daddy's favored son, who drowns his pain and the truth at the bottom of a bottle. His wife, Maggie, known as "the Cat," is desperate to rekindle their love and secure their future, but Brick remains emotionally distant, crippled by both physical pain and the ghosts of the past. Meanwhile, Brick's brother Gooper and his ambitious wife Mae, along with their brood of "no-neck monster" children, vie for Big Daddy's favor and control of the estate. What follows is a charged confrontation, where every smile hides a challenge, every word conceals an agenda, and every gesture masks the truth. Set against the sweltering backdrop of a Mississippi summer, **"Cat on a Hot Tin Roof"** burns with desire, deception, and buried secrets. As tensions erupt and loyalties are tested, Maggie fights to save her marriage and her place in the family's legacy. Niagara Falls, U.S.A. & Erie Canal Niagara Falls, New York

*Niagara Falls, U.S.A. is rich in history from a pre-Revolutionary War site to the rise of clean power and beyond. Known for its jaw-dropping scenic beauty, thundering roars and shimmering rainbows, **Niagara Falls** has captivated millions of visitors. The raw power of six million cubic feet of water rushing over the Falls every minute of the day is a genuine wonder of the world that can be experienced by land, or water. So, join **Gunther Tours** on this exciting new get-away tour exploring **Niagara Falls** and the region's diverse sites which tell the area's story and make **Niagara Falls, U.S.A.** totally unique!*

Day 1: Welcome Aboard! Travel in comfort aboard our deluxe motor coach to **Niagara Falls, New York**. After checking into the **Hyatt Place Hotel** for the next **four nights** we are treated to a delicious **dinner** at a local restaurant. **(D)**

Day 2: After **breakfast** we meet our **step-on guide** and depart for a day of **sightseeing**. While the Falls formed approximately 12,000 years ago, **Niagara Falls State Park** was established much later – in 1865 – making it the oldest state park in the United States. We begin the day with a **ride on the Niagara Scenic Trolley** which will help you get acquainted with the history and layout of the state park. Once oriented, take a water-soaked voyage on the iconic, all-electric **Maid of the Mist boat ride**, which has been operating since 1846. Next, head to the **Cave of the Winds & The World Changed Here Pavilion**. Learn how Nikola Tesla harnessed the power of the Falls to create hydroelectricity. Then, don a poncho and descend 175 feet into the **Niagara Gorge**, making your way along the walkways and stairs that bring you within feet of the crashing **Bridal Veil Falls**. Later we visit **Oakwood Cemetery**, the final resting place of many notorious Niagara Falls legends, including daredevil Annie Edson Taylor, the first person to survive a trip over the Falls in a barrel! Following our tour, we depart for **dinner** before returning to our hotel for a good night's sleep. **(B, D)**

Day 3: After **breakfast** we meet our **step-on guide** and depart for another day of **sightseeing**. Go back in time to the creation of the Erie Canal on a **guided sightseeing boat tour with Lockport Locks & Erie Canal Cruises**. You will see five of the original locks on the Erie Canal and a cruise beneath the widest bridge in the country, prior to an included **lunch** at the **Canalside Restaurant**. The Canal completed in 1825 was the first navigable waterway connecting the Atlantic Ocean to the Great Lakes. Referred to as *"The Nation's First Superhighway"* the Erie Canal is a historical canal that runs 363 miles east-west between Albany on the Hudson River to Buffalo on Lake Erie. Finish your time in **Lockport, New York** by walking through the **Erie Canal Discovery Center**, which features interactive experiences to help visitors better understand the history of this feat of engineering. It is never too early for sweet treats! Next, we visit **North Tonawanda, New York** and stop first at the **Platter's Chocolate Factory**, a local favorite since 1938. Try the signature orange-flavored chocolates and sponge candy and watch the chocolate-making process unfold through the various viewing areas. We conclude our day of touring with a visit to the **Herschell Carrousel Factory Museum**. Enjoy a nostalgic spin on an original Alan Herschell carousel. Here visitors of all ages can ride antique carousels, view historic exhibitions and galleries, and witness wood-carving demonstrations. We return to our hotel following our tour. Tonight, dinner is **on your own**. **(B, L)**

Day 4: After **breakfast** we meet our **step-on guide** and depart for our final day of **sightseeing**. No trip to the region is complete without a stop at **Old Fort Niagara**, the oldest continuously occupied military site in North America. Wander about original 18th century buildings, watch musket and artillery firing demonstrations, and more. Move onto the Civil War era with a visit to the **Niagara Falls Underground Railroad Heritage Center**. Standing on the border of freedom, Niagara Falls was one of the most important points on the Underground Railroad. The museum tells the story of how the actions of the community – particularly the free Black American residents – coupled with the region's natural geographic benefits and location on the border to Canada were critical in bringing countless individuals to freedom. For some people of African descent, it was home

and a safe place to work and live. For others, the city was a crossing point over the last barrier to freedom – the Niagara River. Our final stop for the day is a visit to the **Niagara Power Vista**, located in **Lewiston, New York**. Explore the exciting high-tech virtual ride that takes you through the power generation process, which features over fifty interactive exhibits on hydroelectricity. An observation deck, overlooking the Niagara River, gives visitors a panoramic perspective of the Lower Niagara Region, as well as the area surrounding Devil's Hole State Park. Following our tour, we return to our hotel. Tonight, dinner is **on your own**. **(B)**

Day 5: After **breakfast** we depart for home taking with us memories of the beauty of Niagara Falls, the role of the Niagara River in the development of hydroelectricity, the importance of the Erie Canal, and the region's key role for freedom seekers and abolitionists on the Underground Railroad discovered on a spectacular Niagara Falls, U.S.A. get-way! **(B)**

At the heart of every tour is a story — moments that inspire, connect, and stay with us long after our adventure ends. Don't just take our word for it—hear directly from the guests who experienced our tours firsthand. Their stories, smiles, and feedback inspire us to deliver exceptional experiences every step of the way.

Just a quick note to say what a wonderful Tour Guide you assigned to our most memorable trip to Chattanooga, Tennessee on July 21-25, 2025. Robin was so attentive and knowledgeable, and she put the icing on the cake. I have been on many bus trips and others, but she stands out amongst all of them. If we had questions, she had answers. And, always had a smile on her face! And I cannot forget to mention Cowboy Charlie. I first met Charlie on our trip to Nashville. My daughter made a photo album of our Nashville trip and Charlie is in there. Thank you so much for choosing "professional" people to work on your tour buses!

Sincerely,
Jeannette A.
Dorothy S.

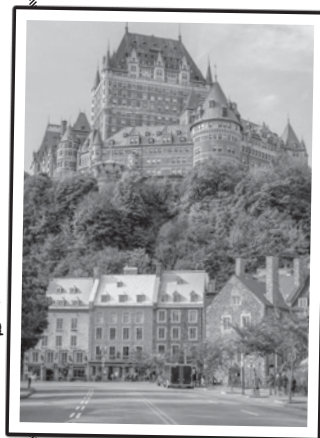

A couple we met while traveling in Utah told us about Gunther Tours. So, we thought we would try your company. We were pleased from day one with our phone conversation about trips. Originally, the Montreal, Quebec trip was sold out. But a space opened and we were in! Our host, Robin Zahor, was very organized and offered wonderful places for us to see and do. Thank you for the much-needed experience.

Blessings to You,
Jackie & Marvin L.

I recently toured with your company to Canada (Montreal, Quebec City, and Vermont), from August 3-7, 2025. I think that most of the travelers would agree the trip was very successful. I have previously visited both Canadian cities; but it was still a pleasure! I am writing to compliment our Tour Director, Robin Zahor. She goes above and beyond what the position requires, to ensure that everyone is thoroughly satisfied with the travel experience! I have traveled often with other carriers and have not seen the level of service that Robin brings to her task. It goes beyond simply providing refreshments and games; she truly gets to know her travelers and seeks to satisfy their needs. I am sure that Robin knew something about each passenger before the trip's end! Most important, however, was the compassion that she shows to others. She was a listening ear; and assisting hand; and needed, an intermediary to get vital information for several travelers. Bravo to Robin! Thanks for this opportunity to share a compliment. I look forward to traveling with her again in the future!

Sincerely,
Randy M.
